

Reopening Information for Parents September 2020

Thanks And Well Done For:

- Your **amazing** efforts with home learning
- The gifts that staff have really appreciated!
- The many kind messages of support.

School will reopen
to all children on
Thursday 3rd
September 2020

How We Will Keep Your Child Safe

- 1) We will minimise contact with people who are unwell.
- 2) We will ensure regular hand cleaning or sanitisation throughout the school day.
- 3) We will encourage good respiratory hygiene.
- 4) We will enhance the cleaning of bubbles, shared areas and toilets.
- 5) We will minimise contacts wherever possible.

Minimising Contact With People Who Are Unwell

- No one showing COVID 19 symptoms will be allowed on site.
- Any adults showing COVID 19 symptoms in day will go home immediately
- Any children showing COVID19 symptoms will be removed to a safe area until they can be collected.
- Anyone unwell will be asked to arrange a COVID 19 test; we can support you with this.

Help Us: Please do not come onto site or allow your child to come onto site if they have COVID 19 Symptoms. (High temperature, persistent cough, loss of smell or taste.)

Regular Handwashing Throughout The Day

- Children will clean their hands regularly throughout the school day particularly:
 - Before and after breaks.
 - After touching shared resources.
 - Before and after P.E.
 - If they have used a shared room.

Help Us: Please ensure your child had washed their hands before they leave for school and as soon as they get home. If they need a special soap or hand cream (non prescribed), please name this and bring it into school.

Good Respiratory Hygiene

- We will teach the children and ensure they follow the “*Catch It, Bin It, Kill It*” guidance.
- Each classroom has special lidded bins for tissues.
- Children will wash hands if they blow their nose, sneeze, touch their face etc.

Help Us: Use the “Catch It, Bin It, Kill It” routine at home over the summer so they are used to it in September.

CATCH IT

Germs spread easily. Always carry tissues and use them to catch your cough or sneeze.

BIN IT

Germs can live for several hours on tissues. Dispose of your tissue as soon as possible.

KILL IT

Hands can transfer germs to every surface you touch. Clean your hands as soon as you can.

NHS

Enhanced Cleaning

- The school has an enhanced clean every night. Every surface that can be touched is cleaned with bleach.
- There is regular in day cleaning of classrooms (tables, light switches, resources, taps, door handles...)
- There is more regular cleaning of toilets.
- Any shared areas will be cleaned between bubble groups.

Minimising Contacts Where Possible.

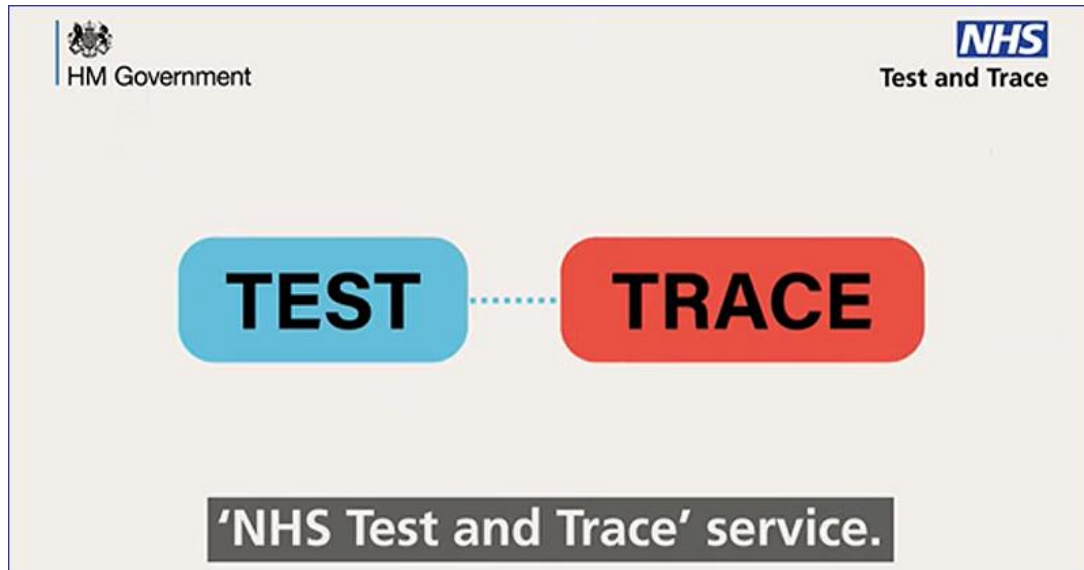

- Each class will be its own protective bubble. (*Kites Bubble / Class 1 Bubble*)
- Children will only mix with children in their bubble during the school day.
- Adults will be assigned to bubbles; usually a Teacher, a Teaching Assistant and a Lunchtime Supervisor.
- At Market Rasen Mr Toothill will resume P.E lessons for all classes however social distancing will be employed.

Help Us: Please don't attempt to enter the school buildings and socially distance when visiting the main office.

Visitors

- Only essential visitors will be allowed into school.
- Full contact details of all visitors will be taken to support NHS Test and Trace if needed.

Aim Of Bubbles

- To reduce transmission of the COVID-19 virus if it were in school.
- To avoid a full school closure if COVID-19 if it anyone in school tests positive. In this case we would usually only close the bubble where the positive test occurred.

Playtimes and Lunchtimes

- At playtime children will only be able to play with children in their bubble. Each bubble will have their own set of play equipment that only they use.
- At lunchtime children will eat in class or outside if it is nice with their bubble group. They will not be able to play with children outside of their bubble.

Timings

- We will employ staggered start and end times, lunchtimes and playtimes.
- Maximum wait time for parents with multiple children is 20 minutes
 - i.e 8.40 and 9.00 drop offs
 - i.e 3.00 and 3.20 pick ups
- In rare cases when a parents needs to be in two places at once we will support you; please just ask us.

Class	Start	End	Entrance	Gate To Use
Finches	8.40	3.10	Kilnwell Road	Early Years Garden
Swallows	8.50	3.20	Kilnwell Road	Early Years Garden
Robins	8.40	3.10	Kilnwell Road	Infant Playground
Merlins	8.50	3.20	Kilnwell Road	Infant Playground
Martins	9.00	3.30	Kilnwell Road	Infant Playground
Falcons	8.40	3.10	Mill Road	Gate 2 (Near Car Park)
Kestrels	8.50	3.20	Mill Road	Gate 2 (Near Car Park)

Class	Start	End	Entrance	Additional Information
Class One	8.40	3.00	Red Gate	EYFS Play Area Gate
Class Two	8.40	3.00	A46 Gate	Back Door Of Class Two
Class Three	8.40	3.00	Moortown Road Gate	Limes Front Door

Helping Us at the Start and the End of the Day

- **Only 1 adult to enter the site to drop off a child.** *(For Reception 2020 Starters we will allow both parents for the first day however please support us with careful social distancing)*
- Please keep 2 mtrs away from other adults and other peoples children.
- Children cannot play before school. They should line up on the blue/red markings. They do not need to be 2 mtrs away from other children in their bubble.

Before and After school

- No extra curricular clubs in the first instance. This will be reviewed for the Spring Term.
- Town and Country Kiddies continue to provide a service before and after school for Market Rasen children. The school breakfast club will not operate initially.
- Nettleton will continue with the before school breakfast club. Children will be seated in their bubbles in Beeches. We are waiting to hear about the after school provision in Caistor.

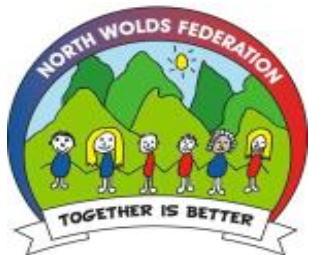

Other Key Information

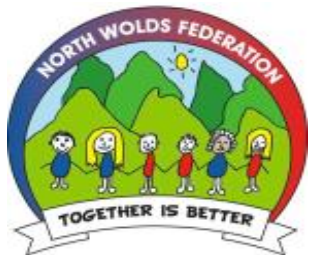

Swimming

- We will not be swimming in the first instance.
- Review Easter 2021.
- Missed lessons will be caught up when we can if possible.

School Uniform

- Full school uniform will be worn from September 2020.
- This doesn't need to be cleaned any differently or more regularly than before the COVID-19 pandemic.
- There is a second hand uniform bank should Market Rasen families need support.
- Purple and Emerald jumpers will be awarded from September. We will ensure they are cleaned fully between recipients.

What should my child bring to school

- Bag (any bag is fine)
- Lunch (If not hot dinners)
- Water bottle
- Book bag, reading record and reading book
- P.E Kit

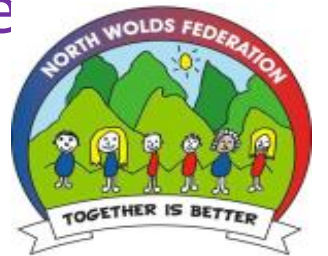

Help Us: Please don't bring in toys, comforters, fiddle toys etc unless agreed with our SENCo Mrs Lianne McGagh.

Recovery Curriculum

- We are developing a recovery curriculum for September 2020.
- Significant focus on wellbeing, PSHE and reconnecting children with school and routines.
- Focus on key areas the children the children haven't been taught or have only been taught remotely.
- For children starting in Year One we are bringing aspects of Reception into these classes and creating an additional outdoor area to allow the children to continue to learn through play if they need to.

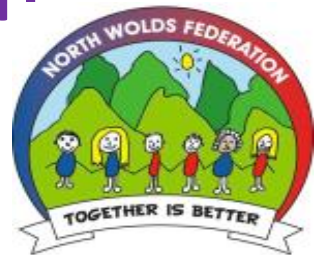

Help Us: Homework will begin as usual in September 2020. Please support your child with this.

Lockdown Experience Survey

- You will have got a survey link with this presentation.
- This survey will given us key **educational** and **emotional** information about your child during lockdown.
- Please complete the survey which teachers will use to aid their planning during the Summer holidays.
- Any questions about reopening please raise on the lockdown experience survey and we will respond.

Help Us: Do the survey as soon as possible. We can better support and educate your child if you do it.

3rd September 2020

Government have announced that attendance is once again compulsory from September 2020. If you have any worries about sending your child back to school please speak to us this side of the summer holidays.
