

Friday 5th June 2020

LO: Talk about what technology I use at home and school.

To be successful I must be able to:

- *Identify what technology I use at home and school.*
- *Show your family member how to use a piece of technology.*

Technology All Around Us

There are lots of different types of technology that we can see in the world around us.

Take a look at the following photos.

What can you see?

Have you seen other people using these pieces of technology?

What other types of technology do you use at school or at home?

Mobile phone

CD player

Tablet/iPad

Games console

Television

Laptop/computer

Electric toothbrush

Aeroplane

Car

Remote control

Digital camera

Cash machine

Card reader

Watch

Gym equipment

Digital clock

Escalator

Headphones

Traffic lights

Blood pressure monitor

Train

Washing machine

Bus

Printer

What technology do you use at home?

- 1. What is your favourite piece of technology to use?*
- 2. What do you use your favourite piece of technology for?*
- 3. Can you show your family member how to use a piece of technology?*
- 4. Is there any other pieces of technology you can think of that we have not already looked at?*
- 5. Go on a technology hunt inside and outside your home.*

▲ For an extra challenge you could draw your favourite piece of technology and write a sentence about it.

For example: My tablet is fun to play on.
