

Can you read the words and decide if pseudo or not?

deer

sleer

dreer

career

steer

romeer

Practise reading sentences with split digraph words in them. Which words can we blend and which words not?

I like to eat cake.

I went down the slide at the park alone.

This morning I woke up inside a sleeping bag.

Can you read these sentences and spot the split digraphs in them? Make a list of all the words you find with split digraphs in.

The red ones are a little trickier.

I like to look at the globe.

Who did you invite to your party?

Is it time to go home?

What is inside the yellow envelope?

My birthday is in June.

There is a snake in the maze.

Can you use the same pen?

The complete jigsaw is huge.

*How many words did you find with
each of these split digraphs?*

Count up each one.

<i>a-e</i>	<i>e-e</i>	<i>i-e</i>	<i>o-e</i>	<i>u-e</i>
