

Tuesday 31st March 2020

We are learning what an adjective is.

- Does it describe...
- A colour?
- A size?
- What it feels like?
- What it looks like?
- What sort of a person/character/animal is?

Can you remember what an adjective is
from yesterday?

This week you are going to create an
Easter card for your family.

Inside I would like you to write a sentence
for each family member in your house.

You are going to say why you are thankful
for them.

For example....

Edward I am thankful for you this Easter
because you are **funny** and **kind**.

Annie I am thankful for you this Easter
because you are so **cute** and the **best** at
huggles!

Today's Task

(Colours-MRCPS & Numbers NCPS)

Start making your Easter card in whatever format you would like.

 • Orange Group/Group1- Start making your card. This is going to take a couple of days.

  • Yellow and Green Group/Group2-Start making your card. This is going to take a couple of days.

  • Red and Blue Group/Group 3- Can you use commas in a sentence and use more than two adjectives?
