# Sea Creatures

We are going to look at sea creatures.

Words in green: Words that you can blend using your Phonic knowledge.

Words in red: Tricky words that you cannot blend using your Phonic knowledge.

## Orca whale

*In the wild, orca whales can live between 50 and 80 years. One female orca even lived to 103.*

## Blue whale

*The oldest blue whale found was around 110 years old. Average lifespan is estimated at around 80 to 90 years.*

# Sea turtle

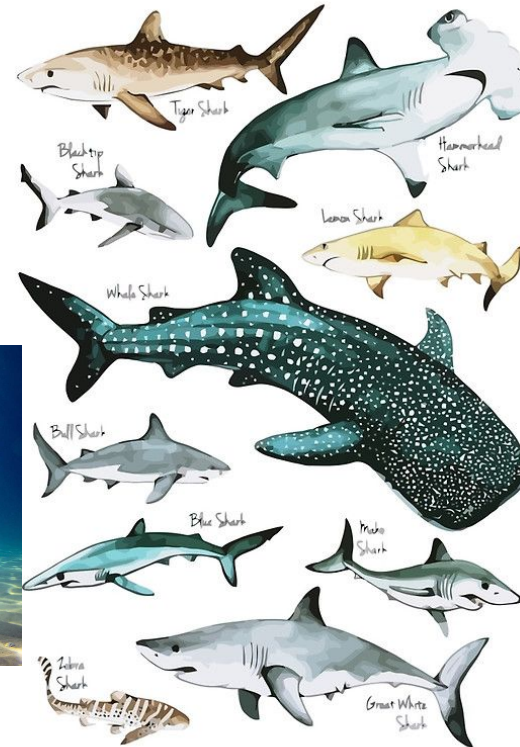

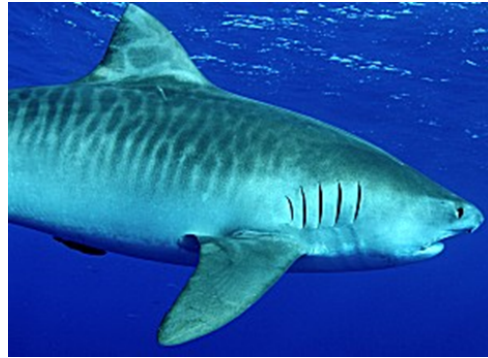

*Sea turtles typically live between 30 and 50 years, with some documented cases of sea turtles living as long as 150 years.*

# Dolphins

*There are at least 44 species of dolphins divided into oceanic and river families and they are found in waters all over the world.*

# Sharks

There are around 440 known species of sharks! They are all different sizes.

# Shellfish

The term “shellfish” includes shrimp, crayfish, crab, lobster, clams, scallops, oysters, and mussels.

*Can you name anymore sea  
creatures that we haven't  
looked today?*

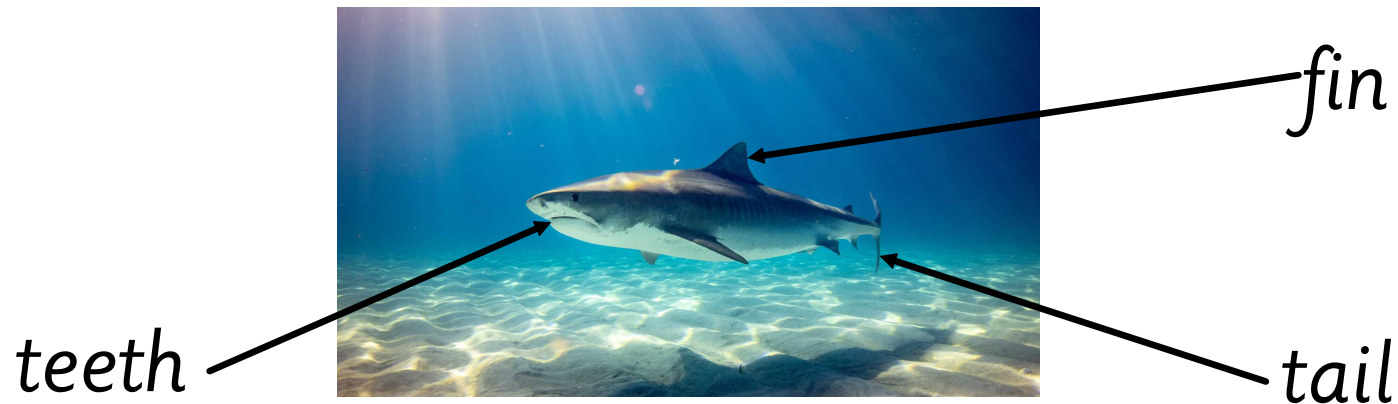

Activity

- Draw a picture of your favourite sea creature.
- You could label some of the sea creature.
- Can you write a sentence about your drawing?

Remember this may be spelt phonetically.

My example: This is a shark.

▲ For a challenge you could extend your sentence by using the conjunction 'and'.

Success Criteria is on the next page.

*Make sure you follow the success criteria when writing your sentences.*

Success Criteria:

*Segment each word out loud, and write the graphemes in order.*

*Remember to use a capital letter at the start.*

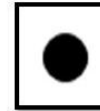

*Use finger spaces in between every word.*

*Can you write some tricky words?*

*Remember to put a full stop at the end of the sentence.*

I need a **CAPITAL LETTER** at the start of my sentence.

I need a **full stop** at the end of my sentence.
