LO: To use prepositions

Prepositions

A **preposition** is a word that tells you **where** or **when** something is in relation to something else.

Examples of prepositions include words like *after*, *before*, *on*, *under*, *inside* and *outside*.

After walking for miles she rested **on** a hill.

In this sentence 'after' tells you when she rested and 'on' tells you where she rested.

Go to the link below to watch an introduction to prepositions.
