We are learning what an adjective is.

- Does it describe...
- A colour?
- A size?
- What it feels like?
- What it looks like?
- What sort of a person/character/animal is?

Continue with your lovely cards!

For example....

Edward I am thankful for you this Easter  
because you are **funny** and **kind**.

Annie I am thankful for you this Easter  
because you are so **cute** and the **best** at  
huggles!
