

<u>Thursday 2nd April</u>

Year 3/4 Science

To investigate which items are magnetic in and around my house.

Your science task this week, is to print or copy the table below, find a magnet in your house if you can (fridge magnet etc) and test a number of items at home to see if they are magnetic or not.

| Household item | Prediction | Result |
|----------------|--------------|---------|
| Coffee cup | Not magnetic | Correct |
