Computing E-Safety Scheme of work

This scheme of work was updated in October 2022

To ensure this scheme of work meets the needs of our learners we:

- Held pupil interviews with children in all year groups to find out what ages children were accessing different types of technology, games and social media platforms in order to deliver the correct e-safety learning at the right time.
- Surveyed parents on their children's access to technology.
- Reviewed the latest DFE guidance, specifically [Teaching Online Safety in Schools \(2019 Version\)](#)

National Curriculum 2014 Objectives

- Use technology safely, respectfully and responsibly; recognise acceptable/unacceptable behaviour; identify a range of ways to report concerns about content and contact.
- Use technology safely and respectfully, keeping personal information private; identify where to go for help and support when they have concerns about content or contact on the internet or other online technologies.

Within this scheme, there are eight strands of learning. These are:

- Self Image And Identity
- Online Relationships
- Online Reputation
- Online Bullying
- Managing Information Online
- Health, Wellbeing And Lifestyle
- Privacy And Security
- Copyright And Ownership.

During our two year plan the children will cover the strands as set out below at an age appropriate level. Specific learning intentions can be found later in this document.

	Year A	Year B
Years 1 & 2	Self image and identity. Online relationships Online Reputation Online Bullying	Managing information online Health, wellbeing and lifestyle Privacy and security Copyright and ownership.
Years 3 & 4	Self image and identity. Online relationships Online Reputation Online Bullying	Managing information online Health, wellbeing and lifestyle Privacy and security Copyright and ownership.
Years 5 & 6	Self image and identity. Online relationships Online Reputation Online Bullying	Managing information online Health, wellbeing and lifestyle Privacy and security Copyright and ownership.

The learning intentions below will be delivered as either

- Formal taught sessions
- Circle time type sessions
- Cross curricular; within PSHE, English or Computing etc

In addition to the planned content, the school will respond to any national or local school based e-safety issue as and when they arise.

Year A

Strand 1: Self Image And Identity

Year One and Two	
1	I can recognise, online or offline, that anyone can say 'no' / 'please stop' / 'I'll tell' / 'I'll ask' to somebody who makes them feel sad, uncomfortable, embarrassed or upset.
2	I can recognise that there may be people online who could make someone feel sad, embarrassed or upset.
3	If something happens that makes me feel sad, worried, uncomfortable or frightened I can give examples of when and how to speak to an adult I can trust and how they can help.
4	I can explain how other people may look and act differently online and offline.
5	I can give examples of issues online that might make someone feel sad, worried, uncomfortable or frightened; I can give examples of how they might get help.

Years Three and Four	
1	I can explain what is meant by the term 'identity'.
2	I can explain how people can represent themselves in different ways online.
3	I can explain ways in which someone might change their identity depending on what they are doing online (e.g. gaming; using an avatar ; social media) and why.
4	I can explain how my online identity can be different to my offline identity.
5	I can describe positive ways for someone to interact with others online and understand how this will positively impact on how others perceive them.
6	I can explain that others online can pretend to be someone else, including my friends, and can suggest reasons why they might do this.

Years Five and Six	
1	I can explain how identity online can be copied, modified or altered.
2	I can demonstrate how to make responsible choices about having an online identity, depending on context.
3	I can identify and critically evaluate online content relating to gender, race, religion, disability, culture and other groups, and explain why it is important to challenge and reject inappropriate representations online.
4	I can describe issues online that could make anyone feel sad, worried, uncomfortable or frightened. I know and can give examples of how to get help, both on and offline.
5	I can explain the importance of asking until I get the help needed.

Year A

Strand 2: Online Relationships

Years One and Two	
1	I can recognise some ways in which the internet can be used to communicate.
2	I can give examples of how I (might) use technology to communicate with people I know.
3	I can give examples of when I should ask permission to do something online and explain why this is important.
4	I can use the internet with adult support to communicate with people I know (e.g. video call apps or services).
5	I can explain why it is important to be considerate and kind to people online and to respect their choices.
6	I can explain why things one person finds funny or sad online may not always be seen in the same way by others.
7	I can give examples of how someone might use technology to communicate with others they don't also know offline and explain why this might be risky. (e.g. email, online gaming, a pen-pal in another school / country).
8	I can explain who I should ask before sharing things about myself or others online.
9	I can describe different ways to ask for, give, or deny my permission online and can identify who can help me if I am not sure.
10	I can explain why I have a right to say 'no' or 'I will have to ask someone'. I can explain who can help me if I feel under pressure to agree to something I am unsure about or don't want to do.
11	I can identify who can help me if something happens online without my consent.
12	I can explain how it may make others feel if I do not ask their permission or ignore their answers before sharing something about them online.
13	I can explain why I should always ask a trusted adult before clicking 'yes', 'agree' or 'accept' online.

Years Three and Four	
1	I can describe ways people who have similar likes and interests can get together online.
2	I can explain what it means to 'know someone' online and why this might be different from knowing someone offline.
3	I can explain what is meant by 'trusting someone online', why this is different from 'liking someone online', and why it is important to be careful about who to trust online including what information and content they are trusted with.
4	I can explain why someone may change their mind about trusting anyone with something if they feel nervous, uncomfortable or worried.
5	I can explain how someone's feelings can be hurt by what is said or written online.
6	I can explain the importance of giving and gaining permission before sharing things online; how the principles of sharing online is the same as sharing offline e.g. sharing images and videos.
7	I can describe strategies for safe and fun experiences in a range of online social environments (e.g. livestreaming , gaming platforms).
8	I can give examples of how to be respectful to others online and describe how to recognise healthy and unhealthy online behaviours.
9	I can explain how content shared online may feel unimportant to one person but may be important to other people's thoughts feelings and beliefs.

Years Five and Six	
	I can give examples of technology-specific forms of communication (e.g. emojis, memes and GIFs).
	I can explain that there are some people I communicate with online who may want to do me or my friends harm. I can recognise that this is not my / our fault.
	I can describe some of the ways people may be involved in online communities and describe how they might collaborate constructively with others and make positive contributions. (e.g. gaming communities or social media groups).
	I can explain how someone can get help if they are having problems and identify when to tell a trusted adult.
	I can demonstrate how to support others (including those who are having difficulties) online.
	I can explain how sharing something online may have an impact either positively or negatively.
	I can describe how to be kind and show respect for others online including the importance of respecting boundaries regarding what is shared about them online and how to support them if others do not.
	I can describe how things shared privately online can have unintended consequences for others. e.g. screen-grabs .
	I can explain that taking or sharing inappropriate images of someone (e.g. embarrassing images), even if they say it is okay, may have an impact for the sharer and others; and who can help

Year A

Strand 3: Online Reputation

Years One and Two	
1	I can identify ways that I can put information on the internet.
2	I can recognise that information can stay online and could be copied.
3	I can describe what information I should not put online without asking a trusted adult first.
4	I can explain how information put online about someone can last for a long time.
5	I can describe how anyone's online information could be seen by others.
6	I know who to talk to if something has been put online without consent or if it is incorrect.

Years Three and Four	
1	I can explain how to search for information about others online.
2	I can give examples of what anyone may or may not be willing to share about themselves online. I can explain the need to be careful before sharing anything personal.
3	I can explain who someone can ask if they are unsure about putting something online.
4	I can describe how to find out information about others by searching online.
5	I can explain ways that some of the information about anyone online could have been created, copied or shared by others.

Years Five and Six	
1	I can search for information about an individual online and summarise the information found.
2	I can describe ways that information about anyone online can be used by others to make judgments about an individual and why these may be incorrect.
3	I can explain the ways in which anyone can develop a positive online reputation.
4	I can explain strategies anyone can use to protect their ' digital personality ' and online reputation, including degrees of anonymity .

Year A

Strand 4: Online Bullying

Years One and Two	
1	I can describe ways that some people can be unkind online.
2	I can offer examples of how this can make others feel.
3	I can describe how to behave online in ways that do not upset others and can give examples.
4	I can explain what bullying is, how people may bully others and how bullying can make someone feel.
5	I can explain why anyone who experiences bullying is not to blame.
6	I can talk about how anyone experiencing bullying can get help.

Years Three and Four	
1	I can describe appropriate ways to behave towards other people online and why this is important.
2	I can give examples of how bullying behaviour could appear online and how someone can get support.
3	I can recognise when someone is upset, hurt or angry online.
4	I can describe ways people can be bullied through a range of media (e.g. image, video, text, chat).
5	I can explain why people need to think carefully about how content they post might affect others, their feelings and how it may affect how others feel about them (their reputation).

Years Five and Six	
1	I can recognise online bullying can be different to bullying in the physical world and can describe some of those differences.
2	I can describe how what one person perceives as playful joking and teasing (including 'banter') might be experienced by others as bullying.
3	I can explain how anyone can get help if they are being bullied online and identify when to tell a trusted adult.
4	I can identify a range of ways to report concerns and access support both in school and at home about online bullying.
5	I can explain how to block abusive users.
6	I can describe the helpline services which can help people experiencing bullying, and how to access them (e.g. Childline or The Mix).
7	I can describe how to capture bullying content as evidence (e.g screen-grab , URL , profile) to share with others who can help me.
8	I can explain how someone would report online bullying in different contexts.

Year B

Strand 5: Managing Online Information

Years One and Two	
1	I can talk about how to use the internet as a way of finding information online.
2	I can identify devices I could use to access information on the internet.
3	I can give simple examples of how to find information using digital technologies, e.g. search engines, voice activated searching).
4	I know / understand that we can encounter a range of things online including things we like and don't like as well as things which are real or make believe / a joke.
5	I know how to get help from a trusted adult if we see content that makes us feel sad, uncomfortable worried or frightened.
6	I can use simple keywords in search engines .
7	I can demonstrate how to navigate a simple webpage to get to information I need (e.g. home, forward, back buttons; links, tabs and sections).
8	I can explain what voice activated searching is and how it might be used, and know it is not a real person (e.g. Alexa, Google Now, Siri).
9	I can explain the difference between things that are imaginary, 'made up' or 'make believe' and things that are 'true' or 'real'.
10	I can explain why some information I find online may not be real or true.

Year Three and Four	
1	I can demonstrate how to use key phrases in search engines to gather accurate information online.
2	I can explain what autocomplete is and how to choose the best suggestion.
3	I can explain how the internet can be used to sell and buy things.
4	I can explain the difference between a 'belief', an 'opinion' and a 'fact. and can give examples of how and where they might be shared online, e.g. in videos, memes, posts, news stories etc.
5	I can explain that not all opinions shared may be accepted as true or fair by others (e.g. monsters under the bed).
6	I can describe and demonstrate how we can get help from a trusted adult if we see content that makes us feel sad, uncomfortable worried or frightened.
7	I can analyse information to make a judgement about probable accuracy and I understand why it is important to make my own decisions regarding content and that my decisions are respected by others.
8	I can describe how to search for information within a wide group of technologies and make a judgement about the probable accuracy (e.g. social media, image sites, video sites).
9	I can describe some of the methods used to encourage people to buy things online (e.g. advertising offers; in-app purchases, pop-ups) and can recognise some of these when they appear online.
10	I can explain why lots of people sharing the same opinions or beliefs online do not make those opinions or beliefs true.
11	I can explain that technology can be designed to act like or impersonate living things (e.g. bots) and describe what the benefits and the risks might be.
12	I can explain what is meant by fake news e.g. why some people will create stories or alter photographs and put them online to pretend something is true when it isn't.

Year Five and Six	
1	I can explain the benefits and limitations of using different types of search technologies e.g. voice-activation search engine. I can explain how some technology can limit the information I am presented with e.g. voice-activated searching giving one result.
2	I can explain what is meant by 'being sceptical '; I can give examples of when and why it is important to be 'sceptical'.
3	I can evaluate digital content and can explain how to make choices about what is trustworthy e.g. differentiating between adverts and search results.
4	I can explain key concepts including: information, reviews, fact, opinion, belief, validity, reliability and evidence.
5	I can identify ways the internet can draw us to information for different agendas, e.g. website notifications, pop-ups , targeted ads.
6	I can explain how search engines work and how results are selected and ranked.
7	I can explain how to use search technologies effectively.
8	I can describe how some online information can be opinion and can offer examples.
9	I can explain how and why some people may present 'opinions' as 'facts'; why the popularity of an opinion or the personalities of those promoting it does not necessarily make it true, fair or perhaps even legal.
10	I can define the terms 'influence', 'manipulation' and 'persuasion' and explain how someone might encounter these online (e.g. advertising and ' ad targeting ' and targeting for fake news).
11	I understand the concept of persuasive design and how it can be used to influence people's choices.

Year B

Strand 6: Health Wellbeing And Lifestyle

Years One and Two	
1	I can identify rules that help keep us safe and healthy in and beyond the home when using technology.
2	I can give some simple examples of these rules.
3	I can explain rules to keep myself safe when using technology both in and beyond the home.
4	I can explain simple guidance for using technology in different environments and settings e.g. accessing online technologies in public places and the home environment.
5	I can say how those rules / guides can help anyone accessing online technologies.

Years Three and Four	
1	I can explain why spending too much time using technology can sometimes have a negative impact on anyone, e.g. mood, sleep, body, relationships; I can give some examples of both positive and negative activities where it is easy to spend a lot of time engaged (e.g. doing homework, games, films, videos).
2	I can explain why some online activities have age restrictions, why it is important to follow them and know who I can talk to if others pressure me to watch or do something online that makes me feel uncomfortable (e.g. age restricted gaming or web sites).
3	I can explain how using technology can be a distraction from other things, in both a positive and negative way.
4	I can identify times or situations when someone may need to limit the amount of time they use technology e.g. I can suggest strategies to help with limiting this time.

Years Five and Six	
1	I can describe ways technology can affect health and well-being both positively (e.g. mindfulness apps) and negatively.
2	I can describe some strategies, tips or advice to promote health and well-being with regards to technology.
3	I recognise the benefits and risks of accessing information about health and well-being online and how we should balance this with talking to trusted adults and professionals.
4	I can explain how and why some apps and games may request or take payment for additional content (e.g. in-app purchases , lootboxes) and explain the importance of seeking permission from a trusted adult before purchasing.
5	I can describe common systems that regulate age-related content (e.g. PEGI , BBFC , parental warnings) and describe their purpose.
6	I recognise and can discuss the pressures that technology can place on someone and how / when they could manage this.
7	I can recognise features of persuasive design and how they are used to keep users engaged (current and future use).
8	I can assess and action different strategies to limit the impact of technology on health (e.g. night-shift mode , regular breaks, correct posture, sleep, diet and exercise).

Year B

Strand 7: Privacy And Security

Years One and Two	
1	I can identify some simple examples of my personal information (e.g. name, address, birthday, age, location).
2	I can describe who would be trustworthy to share this information with; I can explain why they are trusted.
3	I can explain that passwords are used to protect information, accounts and devices.
4	I can recognise more detailed examples of information that is personal to someone (e.g where someone lives and goes to school, family names).
5	I can explain why it is important to always ask a trusted adult before sharing any personal information online, belonging to myself or others.
6	I can explain how passwords can be used to protect information, accounts and devices.
7	I can explain and give examples of what is meant by 'private' and 'keeping things private'.
8	I can describe and explain some rules for keeping personal information private (e.g. creating and protecting passwords).
9	I can explain how some people may have devices in their homes connected to the internet and give examples (e.g. lights, fridges, toys, televisions).

Years Three and Four	
1	I can describe simple strategies for creating and keeping passwords private.
2	I can give reasons why someone should only share information with people they choose to and can trust. I can explain that if they are not sure or feel pressured then they should tell a trusted adult.
3	I can describe how connected devices can collect and share anyone's information with others.
4	I can describe strategies for keeping personal information private, depending on context.
5	I can explain that internet use is never fully private and is monitored, e.g. adult supervision.
6	I can describe how some online services may seek consent to store information about me; I know how to respond appropriately and who I can ask if I am not sure.
7	I know what the digital age of consent is and the impact this has on online services asking for consent.

Years Five and Six	
1	I can explain what a strong password is and demonstrate how to create one.
2	I can explain how many free apps or services may read and share private information (e.g. friends, contacts, likes , images, videos, voice, messages, geolocation) with others.
3	I can explain what app permissions are and can give some examples.
4	I can describe effective ways people can manage passwords (e.g. storing them securely or saving them in the browser).
5	I can explain what to do if a password is shared, lost or stolen.
6	I can describe how and why people should keep their software and apps up to date, e.g. auto updates.
7	I can describe simple ways to increase privacy on apps and services that provide privacy settings.
8	I can describe ways in which some online content targets people to gain money or information illegally; I can describe strategies to help me identify such content (e.g. scams, phishing).
9	I know that online services have terms and conditions that govern their use.

Year B

Strand 8: Copyright And Ownership

Years One and Two	
1	I know that work I create belongs to me.
2	I can name my work so that others know it belongs to me.
3	I can explain why work I create using technology belongs to me.
4	I can say why it belongs to me (e.g. 'I designed it' or 'I filmed it').
5	I can save my work under a suitable title / name so that others know it belongs to me (e.g. filename, name on content).
6	I understand that work created by others does not belong to me even if I save a copy.
7	I can recognise that content on the internet may belong to other people.
8	I can describe why other people's work belongs to them.
Years Three and Four	
1	I can explain why copying someone else's work from the internet without permission isn't fair and can explain what problems this might cause.
2	When searching on the internet for content to use, I can explain why I need to consider who owns it and whether I have the right to reuse it.
3	I can give some simple examples of content which I must not use without permission from the owner, e.g. videos, music, images.
Years Five and Six	
1	I can assess and justify when it is acceptable to use the work of others.
2	I can give examples of content that is permitted to be reused and know how this content can be found online.
3	I can demonstrate the use of search tools to find and access online content which can be reused by others.
4	I can demonstrate how to make references to and acknowledge sources I have used from the internet.
