

# EYFS Handwriting- Book 1, Pages 20-23

On the next slides, you will find different handwriting activities. Please use these as a guidance for your child to have a go at these, they could use any materials and can use this as a chance to get creative! These slides do not need printing out.

# Some ideas of how you could do this activity:

Use chalk outside to recreate the patterns.

Copying the patterns onto a piece of paper and using felt tips/different colours to recreate the picture

Using water and a paintbrush to make the patterns.

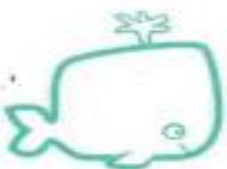

In a tray of salt or sugar, using hands to mark out the different shapes.

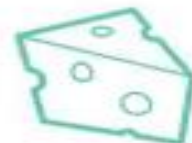

Outside using a stick in mud, to draw the patterns and recreate the shapes.
